

## Are your playgrounds safe?

According to the Consumer Product Safety Commission, 200,000 children are treated annually for playground accidents. Of these, 70 percent, or 140,000 occurred at public parks & schoolyards. Sponsored by the NRPA National Playground Safety Institute and the Colorado Parks & Recreation Association, this course is the most comprehensive training program on playground hazard identification & risk management methods offered. Advanced reading and 10 hours of training will prepare you for the Certified Playground Safety Inspector Exam scheduled at the culmination of this certification course.

## Program Highlights Include:

- Injury Statistics
- History of Playground Equipment
- Hazard Identification
- Safe Surfacing Materials
- Playground Equipment Accessibility
- Off-Site Park Inspection
- Safety Management
- Audit Objectives & Procedures
- Maintenance Procedures & Standards
- Question & Answer Session
- Exam Study Time
