## Meeting Minutes: January 14, 2009

Members in attendance: Dawn Stipe, Broomfield; Darlene Ward, Denver; Curt Garrett, Denver; Collin Cody, Commerce City; Kelly Robinson, SSPR; Mary Kaminski, SSPR; Tracy Hagelund, Golden; Amanda Doubet, Evans; Kathleen Heid, Northglenn

---

### January Topics: School Age

- \* CPRA Summer Camp Conference
- \* Summer Camp Registration Process
- \* Licensing: Questions/Clarifications
  - \* Summer Camp Fusion

**CPRA Summer Camp Conference:** Updates for confirmed presenters: We have a Fit & Fun speaker from Wheatridge, Jefferson County Mental Health will present on Behavior Challenges in Kids, Golden will bring the presenter for Pool Games, see saw signing is returning. Curt is checking to see if Glenn will be our closing key note speaker, and has an ultimate Frisbee speaker as well. Kathy from Northglenn went over the room sizes and time we had them. She is also lining up her drama presenter and will also do the sunscreen session. Tracy also lined us up with Preasidium who will be our opening keynote speaker and will do at least one session during the day. Their topics include risk management for camps, child to child abuse, and working around water parks and pools. Amanda is looking into a speaker for a nutrition session. We decided to invite Beyond the Blackboard as well. Dawn will look into having 4H and America on the Move present as well. We decided to go with Atlanta Bread Company for lunch and Northglenn will get the snacks and drinks. Keep Dawn updated on any speakers being recruited. We are checking on the amount of water bottles we have left over as well.

The conference will be on May 16, 2009. The fees are \$30.00 for CPRA members and \$40 for non. The next conference meeting will be during the PLAY meeting on March 11 at Northglenn.

**Summer Camp Registration:** The group shared how each center does their registrations. Almost all Cities needed parents to physically come into the center at least initially before registering for camp. Denver requires parents to bring birth certificates, Commerce City and Evans use Active Net for registrations

**Licensing Questions:** Discussed frequency of licensing visits during the summer and also what Red Rocks involvement is in licensing now. Question on whether the parent meeting is mandatory for the parent to attend of just mandatory to offer. Still unsure of answer & will ask Dana. Question: What if kids don't have a dr. or dentist? Write 'don't have' in the blanks. To test the chlorine in your cleaning supplies you can get chemical strips at a pool supply store. Also, the group went over their policy on allowing kids to sign themselves in and out.

**Summer Camp Fusion:** It's a go for 2009! South Suburban is going to host this year. The date is tentatively set for June 24. Dawn will send Mary all previous forms so we can put everything up on the CPRA webpage. Changes: We are going to go with an earlier date, hopefully to avoid some heat, incorporate more water games to keep the kids cool as well, and other cities need to submit their games to Mary earlier than last year.

**CPRA webpage:** CPRA is updated the webpage. We need to go through the CPRA manuals and update any changes. We will also send over meeting minutes, conference information, fusion information, and upcoming meetings.
