#### G. CARA

- a. No report

#### H. National Aquatic Branch

- b. Bill emailed everyone a set of questions, please respond!

#### I. Education/Fundraising

- a. Renee is trying to set up an educational seminar at the Carpenter Rec. in April
  - i. Topic suggestions included: Risk Management (keeping everyone informed of what's going on Director-Coordinator-Manager), Vigilant Voice (Getting guards to see the pool differently), Trends in Splash Pads, Change in Culture (Communication, First Aid), Pictures of Cutting Edge Facilities

#### J. Program Survey

- a. Doing away with survey monkey
- b. Dawn will be sending out Three Topics via email, please respond and they will be posted to the CPRA website

#### K. VGB Act (pool drains)- Lots of discussion, so here is a summary

- a. Thornton planning to close in May to upgrade; replacing drains and sumps
  - i. Mention of new colored grates to help make them more visible
  - ii. 36\*36 stainless steel flush grate is now available
- b. Erie looking into a baffle plate and muffler rather than replacing drain box from WaterTech. Muffler is supposed to reduce/eliminate vortex of hair
- c. Denver is looking to build up to meet sump requirements. Big problem so far is frames not fitting.

### III. Waterworks

- a. Bill brought up that the state now requires waterslides to be inspected by a Certified Engineer once per year.
- b. Carrie asked how many people close for lightening at indoor facilities
  - i. Thornton-No
  - ii. Aurora- No
  - iii. SSPR- Buck and Goodson-Yes, Lonetree-No
  - iv. Gilpin County- Directly overhead yes
  - v. Denver- Directly overhead
